

Hearts Against Hunger is a private, 501(c)3 non-profit organization that supplies food to local school children to alleviate food insecurity over weekends, summer vacation, and holiday breaks. The service is **free** to participants.

Food insecurity means that those families do not have enough food for every family member in the home to lead a healthy life.

42,210

Gwinnett County children live in “food insecure” homes.

CHANGE
LIVES.

Founded in 2017, Hearts Against Hunger has grown from 64 meals donated in our first 4 operating months to over 1,200 meals in the 2018-2019 school year.

How YOU CAN HELP FIGHT HUNGER:

Provide financial assistance, host food drives for our pantry, sponsor drawstring backpacks for school delivery and get involved through volunteering.
